Mexico City, Dec. 14.—News of an encounter between federal forces under Gen. Navarro and the revolutionists at Cerro Prieto, near the city of Guerrero, Chihuahua, was received at the department of war here yesterday. Seventy of the rebels were reported killed and many others wounded and captured. The federals are said to have lost fourteen men, including two officers. The fight lasted five hours and ended in the rout of the insurgents, who fled toward Guerrero. The latter numbered, according to the estimate of Gen. Navarro, from 400 to 500. They were entrenched in the mountains. The federal forces numbered about 1,000 infantry, cavalry and artillery.

## INSURGENTS TOOK PART

Debate Was Lively, The Democrats Looking on During Scrap.

Washington, D. C. Dec. 14.—Discussion of the tariff in the Senate precipitated a lively debate, in which Senators Cummins, Aldrich, Beveridge and Hale were the principal participants. It was occasioned by Senator Cummins speaking to his resolution to amend the rules of the Senate and House so as to permit revision of the tariff schedule by schedule and was ended when on motion of Senator Hale the resolution was tabled. Lodge and Aldrich indicated in their speeches they were willing to join in a piecemeal revision of the tariff.

## Death of a Child.

## WHY IS IT?

Here's a Chance to Express Your Opinion.

The State of Kentucky as a whole has increased in population 6.6 per cent. in ten years.

Hopkinsville has increased 30.5 per cent., almost five times as much as the rest of the State.

Why is Hopkinsville outstripping other towns in the State?

Give us your opinion, all you can write on a postal card. We will publish without names, the opinions of any citizens on the secret of Hopkinsville's prosperity.

We want to hear from people of all classes, in all lines of business, and of all opinions as to what makes Hopkinsville the "Only town on the map."

We have our own opinion but want the views of others on the subject. Give us your opinion and maybe when all opinions are in we can arrive at the real secret of the Pearl City's prosperity.

## HORRIBLE FATE.

Of Martha Ratcliff An Aged Colored Woman.

Martha Ratcliff, an aged colored woman, was burned to death Tuesday morning about 7 o'clock at her home near Lovier's Spring. She was alone in her room and when neighbors heard her screams and ran to her house they found her lying on her bed, unconscious. The supposition is that her clothes were ignited from the fireplace and that she ran to the bed and made an effort to smother the flames with the bed clothes. Her body was horribly burned and death resulted in a few minutes. She was 87 years old.

## SENT TO ASYLUM

## TURKEYS FLEW AWAY.

Were Not There When Foxes Went to Eminence.

The turkey pool of the Henry county breeders sold by an Evansville firm to the Peter Sons Co., of this city, for \$10,000, was not delivered as contracted for when the local company sent a representative to Eminence to receive the turkeys. Mrs. B. F. Jackson, who was at the head of the pool, stated that the turkeys had been sold elsewhere, as the Evansville firm did not comply with its contract. She claimed that he was one day late. In the meantime turkeys had advanced materially and the Foxes failed to make a handsome profit on the deal transferred to them.
